

Support Youth Tennis San Diego

Through our personalized paver
program at the Barnes Tennis Center

Your purchase will impact the lives of more young people in San Diego and make a great gift for the people who you care about most.

Honor a loved one or coach that you will never forget, memorialize a special day or a win with a lasting memento!

Proceeds from the pavers go directly to the kids; YTSD offers junior tennis and educational outreach programs to thousands of youth throughout San Diego.
